

**LOUISIANA DEPARTMENT OF HEALTH AND HOSPITALS/
OFFICE OF AGING AND ADULT SERVICES**

**LT-PCS – Long Term Personal Care Services Program
Single Point of Entry (SPOE) – CAAA**

What are Long – Term Personal Care Services (LT-PCS)?

Long Term – Personal Care Services program provides help with activities of daily living for persons who qualify for assistance under the program guidelines.

This program does not individually or in combination with other OAAS programs provide 24 hour per day supports.

If I qualify, what services may I receive from this program?

Help with:

- Eating
- Bathing
- Dressing
- Grooming
- Moving from one surface to another (transferring)
- Walking or using a wheelchair
- Toileting
- Changing positions in bed (bed mobility)

Other services:

- Light housekeeping
- Preparing and storing meals
- Shopping
- Laundry
- Reminders about taking medicines
- Help with medical appointments
- Help finding transportation for medical appointments

What kind of help and services are not covered by this program?

- | | |
|---|--|
| <ul style="list-style-type: none"> • Specialized or skilled nursing • Giving medicine • Rehabilitative services • Specialized aid services • Help that is already being given by family or others in the community or through another assistance program | <ul style="list-style-type: none"> • Cleaning areas of the home that the applicant does not stay in • Food preparation or laundry for anyone other than the applicant • Companionship • Sitter services • Supervision not related to activities of daily living |
|---|--|
